PLAY YOUR PART IN THE MUSIC OF
ROCHESTER CATHEDRAL

HELP LIFT OUR HEARTS AND VOICES

For over 1000 years music and song has been at the heart of Rochester Cathedral, lifting our souls in times of joy, sorrow, reflection and praise. Today our music-making is more vibrant than ever, and we are passionate to see that the tradition continues, with Rochester at the forefront of sacred music internationally. The Cathedral's boy and girl choristers, the thriving Voluntary Choir, the dedicated team of lay clerks and the recently founded Children's Choir sing sublime and often demanding music, from medieval to the most modern, at over 200 services, concerts and performances each and every year.

“Singing in the choir every morning is a great start to the day; it puts you in a good mood.”

Chorister

Sharing our heritage of church music through concerts, tours, CD recordings and charity events is not without expense, whether it be maintaining the music library, robes for the choristers, travel expenses when the choirs represent the Cathedral on tour or engaging additional musicians for major events.

OUR MUSIC NEEDS FRIENDS

So, we need music friends, we need your help. FoRCM unites the previous fundraising efforts for all the choirs, and hopes to broaden the base of this support, joining together to create an a fund to support the activities of the Cathedral choirs. This will allow us to build on our rich musical tradition and allow the music of Rochester to echo into the future.

“A strong community of music friends will play a vital role in supporting Rochester Cathedral’s music tradition. I hope that many in the wider Rochester and Cathedral community will support this important cause.”

Philip Hesketh – President – Dean of Rochester

If you enjoy and value music at the Cathedral, please support us. Join FoRCM today and you’ll be playing a vital part in keeping the Cathedral full of music. We’ve created membership levels that suit every budget and members will enjoy exclusive benefits as our thank-you for your donation.
